5th NATIONAL MOOT COURT COMPETITION, 2022 (HYBRID MODE)

The Founder

Late. (Hon'ble) Dr. Shri Gordhanbhai S. Patel
'Vakil Saheb'

Shri Gordhanbhai Patel, adorably called Vakil Saheb, the founder trustee of the Mandal, shared the most popular view that development of an independent India and its villages can be affected only through properly trained individuals. Hence establishing an academic institute was a top priority. In this context, Shri Ramkrishna Seva Mandal, in March 1963, pioneered by establishing Anand Arts College. This development marked the birth of the college of Anand. Slowly and steadily, various institutions beginning from kindergarten to graduate and post graduate courses were launched, making progress under the flag of Shri Ramkrishna Seva Mandal.

About Moot Court Competition

Anand Law College and Anand College of Legal Studies managed by Shri Ramkrishna Seva Mandal, apart from imparting quality legal education; it has been focusing on working in a holistic way. In order to achieve excellence in the field of Legal Education, we intend to cross the barriers of traditional learning methodology with an aim of giving maximum exposure to practical knowledge to students of law and encouraging transformation in the thinking process from ordinary to the superlative. As a step towards this, we have organized 5th National Moot Court Competition (Hybrid Mode).

Here we are making an attempt to set up a common platform for all the law students for their overall development to become an advocate. Such competition will give Competitors an opportunity to gain valuable experience and training in written and oral appellate advocacy. Furthermore, the experience competitor's gain is not limited to appellate practice. The legal research, analysis, writing and oral advocacy skills competitors' polish during the competition which is valuable in a wide range of practice areas and make participants more marketable to legal employers. With this basic objective, we are organizing our 5th National Moot Court Competition (Hybrid Mode).
