## WHY THIS COURSE?

### Build Skills for the Future of Law

Understand how AI & technology are reshaping dispute resolution & legal practice through simulations, workflows & real-world applications.

---

### Add a Future-Focused Credential to Your Profile

Earn a co-issued certification from CADRE ODR and DY Patil School of Law.

### Explore Emerging Careers in Legal Tech and ODR

Engage with professionals across ODR, legal tech & policy. Discover career paths and trends shaping the future of law.

---

### Learn from the People Building the Future of Law

Practitioner-led learning from the experts actually building the future of law.

## CURRICULUM

# From foundations, to a capstone.

### ADR foundations & the ODR landscape

Negotiation, mediation and arbitration; how ODR is being practised in India and abroad; the regulatory map as it stands.

### People, process & platform

How the three come together to make ODR actually work, system design, dispute resolution professionals' selection, workflows, and the platforms that hold them.

### Trust, ethics & enforceability

Legitimacy, privacy, confidentiality, accountability, and enforceability online.

### Designing law into tech

Translating procedural and substantive law into system and product design.

### Legal tech & AI future

The legal-tech landscape, where AI is going, how to prepare your practice.

### Arbitration + Mediation Lab & Hackathon

Participate in live simulations and a hackathon where you build and pitch your own legal tech idea.

## FACULTY HIGHLIGHT

# Pramod Rao | Lawyer | Strategic Advisor | Mentor |

Pramod has extensive experience spanning the Indian financial services sector, having served at SEBI, ICICI group, Citigroup and IndusLaw.

At SEBI, Pramod served as an Executive Director overseeing Corporation Finance Department, Department of Debt & Hybrid Securities, & Inter-regulatory Interface group. During his tenure, he also led Enquiries & Adjudication Department & Quasi-Judicial Cell, Enforcement Department, Department of Economic & Policy Analysis & also acted as a quasi-judicial authority.

He also was a member of IFSC Authority, National Financial Reporting Authority, various forums constituted by or under the Financial Stability & Development Council, IOSCO committees & Advisory Council of IFRS Foundation.

Presently, Pramod is serving as a member of the Standing Committee on Primary Markets constituted by IFSC Authority, member of the Committee to Formulate Guidelines or Regulations under NPS to enable Framework for Assured Payouts as per the PFRDA Act constituted by PFRDA, and Chair of the FICCI Working Group on Securities Market Code constituted by the FICCI Capital Markets Committee.

He also works with Finternet Labs (FinternetLabs.io) as a legal & regulatory advisor building on his experience in contributing to the development of digital public infrastructure through iSPIRT projects including Sahay-GeM, Sahay-GST & the Sahamati AA Ecosystem as well as ONDC. He has played a pivotal role in conceptualizing & adoption of online dispute resolution (ODR) for the BFSI sector and within the Indian securities market in the form of SmartODR.in

He mentors fintech founders and startups at NSRCEL of IIMB. He provides strategic legal and regulatory advice to several commercial enterprises and entrepreneurs in the Indian financial services sector.

He is co-authoring a book for in-house legal community, legal departments and general counsels, with a view to mentor & develop general counsels and aspiring general counsels.

# Kanan Dhru

**Researcher at The Hague University of Applied Sciences**

Kanan Dhru is a 3x legal innovation founder, investor, and academic working at the intersection of law, design, and technology. She backs early-stage companies building the infrastructure for a more accessible justice system in India. She is also an Operational Board Member of the global Legal Hackers community. Previously, she worked at The Hague Institute for Innovation of Law, where she ran accelerator programmes, mentored and scaled early-stage LegalTech startups, and worked with governments to embed legal innovations into public systems worldwide.

Kanan holds a law degree from the London School of Economics and a Masters in Public Administration, and currently serves as Senior Lecturer in Legal Technology at The Hague University of Applied Sciences. Beyond academia, she consults in the legal AI space, advising leading law firms and government bodies on access to justice, AI governance, and legal innovation. As an entrepreneur, she founded Lawtoons, an award-winning legal design initiative that uses comics to make law accessible to children.

## FACULTY HIGHLIGHT

# Harshitha Ram, Esq.

**Internationally recognized attorney, arbitrator, mediator, educator, & thought leader in ADR**

Harshitha Ram is an internationally recognized attorney, arbitrator, mediator, educator, and thought leader in alternative dispute resolution. She is the Founder and President of the Global Arbitration Mediation Academy (GAMA), a pioneering institution dedicated to advancing excellence in arbitration, mediation, negotiation, and dispute resolution education worldwide.

A respected voice in the ADR community, Ram serves as Co-Chair of the American Bar Association Section of Dispute Resolution's Arbitration Committee and Chair of the Detroit Bar Association ADR Section. She is also a Door Tenant with 33 Bedford Row Chambers in London, an ICC YAAF Representative for North America, a distinguished JAMS class of 2024 and serves as a mentor in the Young ITA Mentorship Program, guiding emerging practitioners in international arbitration.

With extensive experience handling complex U.S. domestic and cross-border disputes, Ram is widely recognized for her commitment to advancing the field of dispute resolution through education, innovation, and mentorship. Her work spans multiple jurisdictions and cultures, reflecting a deep understanding of the evolving global dispute resolution landscape.

GAMA is the realization of her vision to give back to the ADR community by making high-quality, practical, and accessible ADR education available across the globe. Through GAMA, she seeks to bridge the gap between theory and practice, empowering the next generation of dispute resolution professionals with the skills, knowledge, and confidence needed to navigate increasingly complex conflicts.

## FACULTY HIGHLIGHT

# Dr Chirag Balyan

**Associate Professor(Law) & Arbitrator**

Dr. Chirag Balyan is an Associate Professor of Law at DY Patil University, School of Law. He is currently on lien from Maharashtra National Law University Mumbai, where he headed the Centre for Arbitration and Research.

He practises as an arbitrator and mediator. He edits the Indian Review of International Arbitration and has published titles such as Commercial Arbitration, Specialized Arbitration, Investment Arbitration, and Aviation and Space Arbitration.
