

7-DAY NATIONAL FDP

Faculty Development Programme

"Contemporary Pedagogical Innovations & Research Methodologies"

Hybrid Mode — Online & Offline

📅 25 Sep - 01 Oct 2026

🕒 2:00 PM - 5:00 PM

📍 Google Meet & College Campus (Hybrid)

This programme equips educators and researchers with modern teaching strategies and advanced research skills — bridging the gap between traditional educational practice and the demands of the 21st-century digital era.

1. Pedagogical Innovations

- AI tools, virtual classrooms & digital platforms
- Active learning: flipped classrooms, gamification
- Flexible, inclusive curricula
- Skill-based, formative assessments

2. Research Methodologies

- SPSS, NVivo, R for data analysis
- Experimental & mixed-methods design
- Academic integrity & IPR
- Publishing in Scopus / Web of Science

3. Professional Growth

- Interdisciplinary collaboration
- Lifelong learning & global standards
- Networking with peer academicians

Key Objectives

- Innovative Teaching & Pedagogical Techniques in Higher Education
- Advanced Research Methodologies & Publication Ethics
- Contemporary Challenges & Recent Trends in Studies
- Integrating AI and Digital Tools in Classrooms

7-Day Detailed Schedule

Date	Theme	Session 1 (2:00-3:30 PM)	Session 2 (3:30-5:00 PM)
25 Sep 2026	21st Century Education & Learner-Centric Pedagogy	Gen Z & Alpha learner profiles, expectations & attention spans	Outcome-Based Education (OBE); mapping COs to POs
