VENUE: SAVEETHA SCHOOL OF LAW

ABOUT SIMATS

The Saveetha Medical and Educational Trust was established in 1986 with the primary objective of providing medical relief, promoting education, and encouraging research. In 1988, the Trust established Saveetha Dental College along with an attached General Hospital. Subsequently, it expanded its educational initiatives by establishing the College of Nursing, College of Physiotherapy, College of Occupational Therapy, School of Law, and School of Engineering. These institutions were founded in accordance with the Trust's commitment to serving society, particularly the people residing in rural villages in and around Chennai and the adjoining districts of Tamil Nadu.

Saveetha Institute of Medical and Technical Sciences (SIMATS) has received accreditation from the National Accreditation Board for Hospitals & Healthcare Providers (NABH) and the National Accreditation Board for Testing and Calibration Laboratories (NABL) for RT-PCR testing during the COVID-19 pandemic. The institution has a student strength of over 10,000, supported by approximately 1,500 faculty members and 2,500 non-teaching staff.

SIMATS ranks among the top 10 universities in India and secured the 395th position globally in the 2020 UI GreenMetric World University Rankings on Sustainability, conducted by the University of Indonesia, Jakarta. The institution has also been recognized as a Social Entrepreneurship, Swachhta & Rural Engagement Cell (SESREC) Institution by the Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Government of India.

Recognized for its outstanding contributions to higher education and research, SIMATS secured the 11th rank in the University Category of the NIRF 2024 Rankings. Furthermore, it has been accredited with the prestigious NAAC A++ Grade, strengthening its reputation as a premier institution committed to academic excellence, innovation, intellectual growth, and technological advancement.

ABOUT SAVEETHA SCHOOL OF LAW

Saveetha School of Law, Saveetha Institute of Medical and Technical Sciences (SIMATS), established in 2009, aims to provide quality legal education while maintaining high standards of legal research and professional training. The School of Law is located close to the city in a serene atmosphere, providing an ideal environment for academic excellence.

The institution carries the vision of imparting excellence in legal education. Its mission is to widen and nurture the intellectual capabilities, leadership qualities, and personal development of young legal minds. Saveetha School of Law is ranked 13th among law institutions in India and 1st in Tamil Nadu, as per the NIRF Rankings 2023. The institution is accredited with NAAC Grade A++, recognized by the Bar Council of India (BCI), and approved by the University Grants Commission (UGC).

The School offers a wide range of undergraduate, postgraduate, and Ph.D. programmes in law. It provides students with comprehensive legal knowledge and practical learning opportunities required for professional development. The institution follows the Choice Based Credit System (CBCS) curriculum, offering a broad selection of regular and specialized subjects.

The academic system is fully digitalized, with flipped classrooms and e-books made available to students. The campus provides sophisticated air-conditioned classrooms, smart boards, uninterrupted Wi-Fi connectivity, experienced faculty members, modern teaching methodologies, a well-equipped library, cafeteria, hostel facilities, playgrounds, and several other modern amenities to ensure a holistic learning experience.

ABOUT THE CONFERENCE

Noise pollution has emerged as a major environmental and public health concern due to rapid urbanization, industrialization, increasing vehicular traffic, construction activities, and expanding transportation networks. Continuous exposure to excessive noise can adversely affect human health, causing hearing impairment, sleep disturbances, stress, cardiovascular disorders, and reduced quality of life. Addressing this growing challenge requires interdisciplinary research, technological innovation, effective environmental policies, and sustainable management strategies.

The International Conference on Noise Pollution and Public Health: Challenges and Sustainable Solutions aims to provide an international platform for academicians, researchers, scientists, healthcare professionals, environmentalists, engineers, policymakers, and industry experts to exchange knowledge and share recent advancements. The conference will include research paper presentations based on the identified sub-themes, offering researchers, academicians, and students an opportunity to present their original research findings, innovative ideas, and scientific contributions. It will promote interdisciplinary collaboration and encourage sustainable solutions for noise pollution control, public health protection, and a healthier environment.

AIM OF THE CONFERENCE

The primary aim of this international conference is to create awareness and promote scientific understanding of noise pollution and its impact on public health and the environment. It seeks to provide a multidisciplinary platform for academicians, researchers, scientists, healthcare professionals, engineers, and students to exchange knowledge, share innovative research findings, and present original research papers based on the identified sub-themes. The conference aims to encourage interdisciplinary collaboration, explore advanced noise monitoring and control technologies, strengthen sustainable environmental management practices, and identify effective strategies for noise pollution prevention and mitigation, ultimately contributing to healthier communities and a sustainable future.

OBJECTIVES OF THE CONFERENCE

The conference aims to enhance awareness and scientific understanding of noise pollution and its consequences for human health and environmental well-being. It intends to provide a valuable platform for academicians, researchers, scientists, and students to present their original research papers under various sub-themes and exchange their knowledge, experiences, and innovative perspectives. It also seeks to highlight emerging technologies for noise assessment, monitoring, and control, while exploring effective and sustainable approaches to noise reduction. Furthermore, the conference encourages multidisciplinary collaboration, promotes research-driven solutions, and strengthens the connection between scientific advancements, public health protection, and environmental sustainability towards building healthier, safer, and quieter communities.

Guest speakers

DR. JOE THOMAS
CHAIR,GLOBAL PUBLIC HEALTH,
SUSTAINABLE POLICY SOLUTIONS FOUNDATION
AUSTRALIA

DR. MINI S
PROFESSOR
THE NATIONAL UNIVERSITY OF ADVANCED
STUDIES (NUALS),KOCHI

DR.ANJU JOHN
HEALTH IMPROVEMENT LEAD

UNIVERSITY

SUB - THEME OF THE CONFERENCE

1.NOISE POLLUTION AND ITS IMPACT ON PUBLIC HEALTH

2.ENVIRONMENTAL LAWS AND POLICIES FOR NOISE POLLUTION CONTROL

3.NOISE-INDUCED STRESS, SLEEP DISTURBANCES AND MENTAL HEALTH

4.URBAN NOISE, TRAFFIC AND COMMUNITY HEALTH

5.TECHNOLOGY AND INNOVATION IN NOISE MONITORING AND CONTROL

6.ENVIRONMENTAL JUSTICE AND THE RIGHT TO A HEALTHY SOUND ENVIRONMENT

7.SUSTAINABLE URBAN PLANNING AND HEALTHY SOUNDSCAPES

CALL FOR PAPER

ELIGIBILITY:

The conference is open to students, research scholars, faculty members, industry experts, social activists, NGOs, law firms, advocates and members of the judiciary.

SUBMISSION OF ABSTRACT

Abstracts must be submitted on or before (20.11.2026)

EMAIL: noiseconference26@gmail.com

NOTIFICATION AND REGISTRATION

- **Authors of selected abstracts will be notified via email on (20.11.2026)**
- **Upon notification of selection, registration for presentation along with payment must be completed on or before**
- **Authors whose papers are accepted must ensure that final submissions comply with the prescribed deadline, submission guidelines and any additional instructions communicated in the selection email.**

CERTIFICATE

All presenters will receive a certificate of presentation upon successful completion of the conference.

For online presenters, E-certificates will be issued.

AWARDS:

The following awards will be announced and presented during the valedictory/closing session of the conference:

Best Paper Award

Best Presentation Award
